# TRADEFAIR 2018

FOR FLORISTS & GARDEN CENTRES

January 10th and 11th 2017 in Odense Congress Center

The Trade fair for florists and garden centres is an annual event, with great importance to visitors as well as exhibitors within the green industry. The fair is only for professionals such as garden centres, lager flower shops and shops with an interest in gardening accessories and lifestyle products in Denmark and in the rest of the Nordic countries.

The visitors are potential customers and journalists specializing in gardens and flowers. As a supplier of plants, garden products and handcrafts to reach your target group in one place.
